MRS. M'KINLEY DEAD.

Canton, O., May 27.—At 1:05 o'clock yesterday afternoon, Mrs. William McKinley fell into the sleep that knows no awakening. The transition from life to death was so peaceful and gradual that it was with difficulty that the vigilant physicians and attendants noted when dissolution came. There was no struggle—no pain.

At the McKinley home when death came there were present Secretary Cortelyou, Mr. and Mrs. M. C. Barber, Mrs. Sarah Duncan, Mrs. Luther Day, Justice and Mrs. William R. Day, Drs. Portmann and Rixey and the nurses.

The funeral arrangements so far as made are that Rev. E. O. Buxton, pastor of the First Methodist church, will have charge of the services, which are to be simple, and they will be held at the McKinley residence at 2 o'clock Wednesday. Secretary Cortelyou is directing the arrangements and will remain here until after the funeral. Dr. Rixey left at 5:30 o'clock in the afternoon for Washington. He will join President Roosevelt and will go with him on his trip to Indianapolis and Lansing this week. It was announced tonight that President Roosevelt and Secretary Loeb will arrive in Canton Wednesday morning to attend the funeral services, with Vice-President Fairbanks, who had often been a house guest of the McKinleys, and is expected to reach here in time to attend the funeral services.

The body of Mrs. McKinley will be placed in the vault in West Lawn Cemetery which holds the remains of her husband, until the completion of the new mausoleum on Monument Hill, when both caskets will be transferred to receptacles in that tomb.

From numerous friends of the deceased Mrs. Barber last evening received telegrams of condolence on the death of her sister. Among them were telegrams from President Roosevelt and Vice-President Fairbanks.

The improvement in your excellent paper has been a constant source of pleasure and pride to us for sometime, and our hearts have often been gladdened by the purity of its columns and the devoting influence it has in the home, being free from sensational rot, and many other things calculated to corrupt the minds and degrade the morals of its youthful readers. Last Thursday's edition was a gem, and a credit to the editor, and should be a source of gratification and pride to every one who has the welfare of our "Gem City" and its surrounding country at heart. May you continue in your good work, expanding and growing, until you reach the goal of your fondest ambition, and enjoy the blissful realization of your ideal in journalism, and when the last form is closed may you reap a golden harvest from the many seeds of kindness you have sown daily and weekly along life's pathway.

The Township Sunday School Convention which convened at Oakland church last Saturday, was largely attended and a most pleasant day enjoyed. Mr. P. C. Caldwell, president, and Mr. Cyrus Johnson secretary, and Mrs. Dr. Will Crawford, musical director, were all present and the exercises were considered the best of any previous meeting, and the exercises and singing was such as fills the soul and makes one feel the need of a higher and nobler purpose in life. The session lasted all day and a most excellent dinner was served upon the grounds, as that community is not only noted for its great number of consecrated Christian workers, but also for its prosperous, progressive farmers and comfortable country homes. The election of officers for the ensuing year resulted in electing Mr. D. F. Grantham, president; Mr. J. M. Mitchell, secretary, while the music is still in charge of Mrs. Dr. Crawford. The next meeting will be held at Pine Forest.

We pulled in anchor last Saturday week and unfurled our sails to the breeze, and when we landed we were on Wrightsville Sound, wherewith our better-half (or two-thirds) we enjoyed the hospitality of Messrs. A. J. Northam and family, and P. H. Crawford and family, for a few days. We had a delightful trip notwithstanding the fact that we went from a bed of sickness where we had fought against chills, quinine and "sich," for a week (and we are not entirely over "sich" yet). But we are back again at work, this being our first trip away from duty in three years and we trust we succeeded in storing enough energy in those five days to carry us through the summer, although the demand is heavy at present. But if we find the current again getting weak we will have our battery charged again, and at the same time endeavor to be "riglar" in weekly effusions.

THE VALUE OF PERSONAL KNOWLEDGE

Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.

THE UNWRITTEN LAW.

Richmond, Va., May 27.—The case of ex-Judge William G. Loving, charged with the murder of Theodore Estes, whom Judge Loving accused of having drugged and wronged his young daughter, Elizabeth, while out driving, will be called before the term of the circuit court to convene in Nelson county today. Owing to the fact that the entire county has been deeply stirred by the sensational case it is likely that a change of venue will be asked for, and it granted the trial will probably be transferred to Petersburg or to this city. If current stories amount to anything the trial will prove one of the biggest sensations ever recorded in the judicial annals of Virginia.

All of Nelson county appears to have arrayed itself on the one side or the other of the famous case. Many openly uphold Judge Loving in carrying out the unwritten law, while others are inclined to think he acted too hastily and blame him for not giving his victim a chance to explain, if any explanation were possible.

It is reported that the trial will bring to light many startling things heretofore unknown and bearing directly upon the tragedy, among others, that it will be shown that Estes, on at least two previous occasions, had made similar attempts to drug girls with liquor. On one of these occasions, it is said, the intended victim threatened to inform her father if Estes did not desist in his persecution, which threat had the desired effect. This young lady, it is stated, will be placed on the witness stand by the defense. It is held that the production of evidence that Estes had on previous occasions offered girls liquor, coupled with the fact that Judge Loving waited until the day after the alleged occurrence and after both he and his wife had talked with their daughter before hunting for and killing Estes, will have weight in favor of the former jurist.

The Estes family, on the other hand, are firm in their belief in the innocence of young Estes of the alleged wrongdoing and are preparing to make a vigorous effort to convict Judge Loving of the murder. The family has engaged Daniel Harmon, of Charlottesville, one of the ablest lawyers of the State, to assist in the prosecution. Judge Loving likewise has engaged eminent counsel in the persons of John L. Lee, of Lynchburg, and R. Walton Moore, of Fairfax, who will assist Aubrey E. Strode, the personal counsel of Judge Loving.

GERMS IN THE SKIN SCIENCE IN PURSUIT

Eczema Sufferers Will be Interested in a Pamphlet on Diet, Exercises, Etc., Which May be Had Free at Goldsboro Drug Co's. Drug Store.

The eczema germ is a curious parasite. Scientists accustomed to the daily use of the microscope find difficulty in detecting it. The germ lives only in the skin, and multiplies where the skin is weak and susceptible. It feeds on the oily substances, developing at the rate of thousands and tens of thousands daily. Nature combats them, but if the skin is weak the germs must be destroyed by an external remedy.
Oil of wintergreen properly mixed with other soothing ingredients is the best remedy yet found for all kinds of skin trouble. But oil of wintergreen alone will not suffice, and it is only when properly combined—as in D. D. D. Prescription—that we get a liquid that really cures while INSTANTLY relieving the itch.
I wish to thank the wonderful cure that D. D. D. Prescription did for my baby boy that had eczema," says Mrs. A. L. Workman, of No. 3 Wrights Add., Trinidad, Col. "We bought only one bottle after using the trial bottle and he has been cured for three months or more and no symptoms of it coming back."
D. D. D. Prescription is a mild soothing liquid made for a number of years by a Chicago company. It is no ordinary patent medicine and we thoroughly investigated the merits of the remedy before recommending it to the people in our own town, Goldsboro Drug Co. Call at our store and we shall be glad to show you a bottle of the remedy, and no matter whether you buy the remedy, we will be glad to give you a pamphlet free of charge, this pamphlet telling about the diet, exercise, clothing and other treatment required for skin sufferers.
